7<sup>th</sup> November 2016

Greetings from Kagawa University, Japan.

My name is Lrong Lim, and I am the Director of the International Student Center of Kagawa University.

We would like to take this opportunity to thank your office for all the good work done with regards to the collaboration between our two institutions.

At this point, we are very happy to announce that we are now accepting applications for our 'SANUKI Program'.

This program is grounded on courses focusing on elementary level Japanese language and Japanese culture. In addition to these courses, we have also incorporated a research based course whereby students can work on an aspect related to Kagawa Prefecture.

We are also very glad to reveal that we have secured several scholarships from JASSO.

Please see the accompanying documents for more information on the program, scholarship, and application procedure.

We would very much like to request your office to recommend up to three students for the JASSO scholarship/Sanuki Program.

Thank you for your time and continuous support, and we look forward to hearing from you soon.

Yours sincerely

Lrong Lim
