# Japan Student Services Organization (JASSO) Student Exchange Support Program Scholarship for Short-term Study in Japan [as of January 2017]

This scholarship is available for qualified international students who are accepted by Japanese universities under student exchange agreements on a short-term basis. JASSO selects exchange programs carried out by Japanese universities every year and allocates a scholarship quota to each university. Tohoku University will be able to nominate qualified students to JASSO within that quota.

#### 1. Eligibility

- (1) Students demonstrating excellent academic and personal records at their home university.
- (2) Students having a definite motivation as well as a clear study plan in any field available at their host universities and likely to benefit from studying in Japan.
- (3) Students not having sufficient financial means to study in Japan.
- (4) <u>Students who, upon termination of the period of study in Japan, will resume or complete their studies at their home university.</u>
- (5) Students who will not receive any kind of scholarship that exceeds JPY 80,000 per month specifically for Tohoku University's exchange programs.
- (6) Students who do not currently possess Japanese citizenship.
- (7) Students who have a minimum GPA of 2.30 / 3.00 as calculated using JASSO's GPA calculation method shown below, based on a transcript from the previous academic year.

#### Calculating GPA:

- You must demonstrate excellent academic achievements at your home university, as well as a good personality; in addition, you must have minimum GPA of 2.30, as calculated using JASSO's GPA calculation method, based on a transcript from the previous academic year. If your transcript from the previous academic year is not available, your GPA will be calculated based on a transcript from the previous semester. In case converting grades using JASSO's calculation method is impossible, we will measure your academic excellence from your transcript and other materials.
- Meeting JASSO's criteria alone does not guarantee acceptance to the scholarship program. All applicants go through a Tohoku University's screening process.
- Use the table below to convert grades into grade points. Then use the grade points and the formula below to calculate the GPA.
- When calculating GPA, round off to two decimal places. For example, 2.654 would be rounded to 2.65, while 2.655 would be rounded to 2.66.

#### Grade Point Conversion Table:

			GRADE		
4-level rating (type 1)		Excellent	Good	Average	Fail
4-level rating (type 2)	•	A	В	C	F
4-level rating (type 3)		100-80	79-70	69-60	59 or less
5-level rating (type 1)	100-90	89-80	79-70	69-60	59 or less
5-level rating (type 2)	S	A	В	C	F
5-level rating (type 3)	A	В	C	D	F
GRADE POINT (GP)	3	3	2	1	0

#### Grade Formula:

 $([\text{No.of GP3 Credits}] \times 3) + ([\text{No.of GP2 Credits}] \times 2) + ([\text{No.of GP1 Credits}] \times 1) + ([\text{No.of GP0 Credits}] \times 0) + ([\text{No.of GP2 Credits}] \times 2) + ([\text{No.of GP3 Credits}] \times 1) + ([\text{No.of GP4 Credits}] \times 1)$ 

Total Number of Registered Credits

#### 2. Scholarship Conditions

Stipend: JPY 80,000

#### 3. Application Method

Submit the "Application Form for the JASSO Scholarship" with application materials for the student exchange program no later than the application deadline. Students must be nominated by their home institution first and direct applications from students to Tohoku University or to JASSO will not be accepted. Students cannot apply after the application period, including days after they come to Japan.
