Dear,
Dean Faculty of Agro-Industry
Chiang Mai University,

ASEAN University Network for Sustainable Cities and Urban Development (AUN-SCUD) is going to hold a webinar with the theme of Sustainable Campus Development. At this event, participants are going to acquire a comprehension on how to technically develop a sustainable campus, as a form of investment towards the sustainable future of the university in terms of business sector growth, improvement of communication efficiency, and decision-making optimization. This major change of understanding will affect the whole practices of campus development, ranging from the resource sector to the subsector of the market behavior in the academic areas. This event planned to be held on:

Date: September 30th, 2021

Time: 10.00 - 12.00 Jakarta Local Time (GMT+7)

Registration Link: bit.ly/aunscudwebinar2021

For that, we hope that you or a representative from your institution will be able to participate in this event. If you are interested in joining the webinar, please register via the link above. For further questions regarding this event, please reply to this email.

Thank you.

Regards,
Secretariat of AUN-SCUD
