Please answer one of the following questions. Please write the question you are responding to in the body of your essay. Your statement should be between 400-600 words. Your essay is a very important part of the evaluation process.

Essay Choice A: There are many definitions of leadership. Bill Gates once said, "As we look ahead into the next century, leaders will be those who empower others." Please give an example of you being a leader or experiencing someone's leadership. What do you think it takes to be able to empower others and achieve success?

Essay Choice B: Using one or more examples, please describe a challenge at school, work or in your personal life that you have had to overcome. How did you resolve the situation? How has this experience affected who you are today and the way you see the world?

Essay Choice C: Martin Luther King Jr. said "Life's most persistent and urgent question is: What are you doing for others? Living is a form of not being sure, not knowing what next or how. The moment you know how, you begin to die a little." What have you done to serve others around you? What is the next thing you imagine doing for your community?
